THE 1958 MEMOIR

Presented by the

SENIOR CLASS

of

CHRISTIAN HIGH SCHOOL

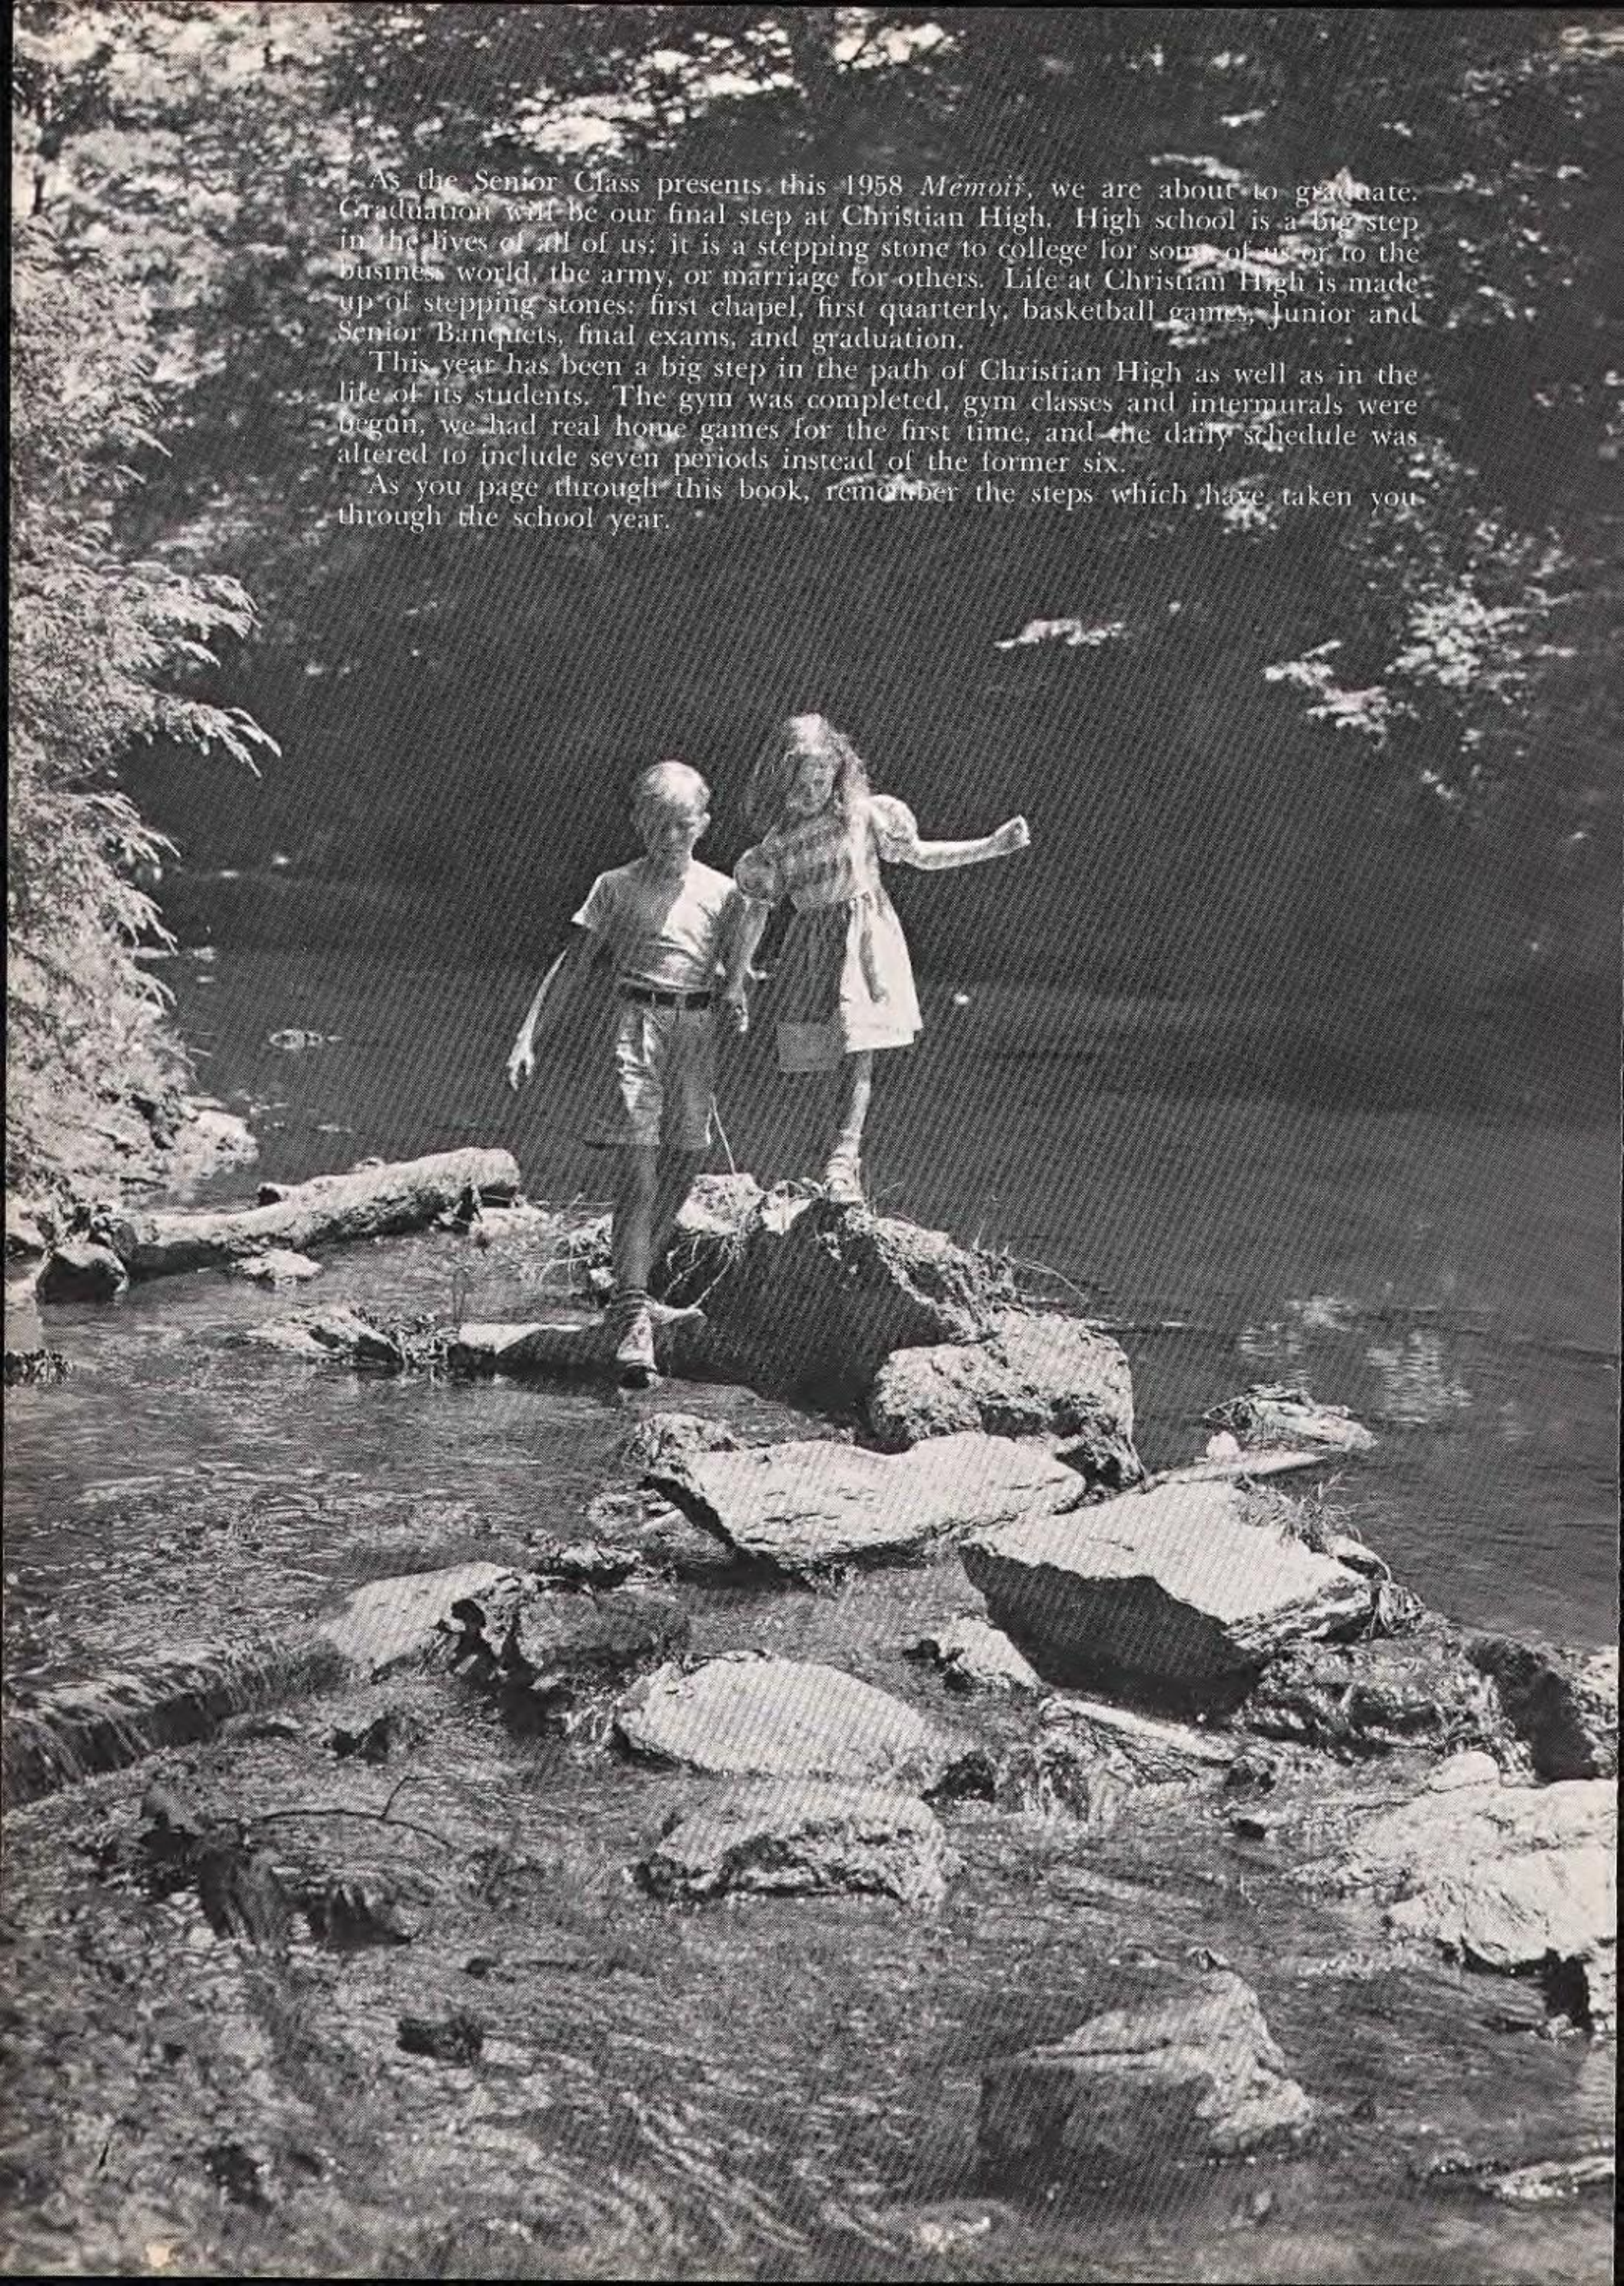
Grand Rapids, Michigan

Editor ..... Jack Kremers
Assistant Editor ..... Lois Westra
Business Manager ..... Gordon Kamstra

As the Senior Class presents this 1958 *Memoir*, we are about to graduate. Graduation will be our final step at Christian High. High school is a big step in the lives of all of us; it is a stepping stone to college for some of us or to the business world, the army, or marriage for others. Life at Christian High is made up of stepping stones: first chapel, first quarterly, basketball games, Junior and Senior Banquets, final exams, and graduation.

This year has been a big step in the path of Christian High as well as in the life of its students. The gym was completed, gym classes and intermurals were begun, we had real home games for the first time, and the daily schedule was altered to include seven periods instead of the former six.

As you page through this book, remember the steps which have taken you through the school year.



Dedication

For her thoughtfulness and understanding, for her gentle kindness and loyal friendship, and for her many years of devoted service coupled with her Christian example by word and deed, we, the Class of 1958 proudly dedicate this *Memoir* to Miss Helen M. Zandstra.

Ladies Circle

The Christian High Circle is composed of a group of mothers and other friends of the school who wish to work for its welfare. The funds we raise from our activities, such as sponsoring the Hostess Dinners, catering, tray rental, and (our new project this year) checking service in the Gym, are all distributed among the various needs of the school.

At our meetings we enjoy various programs – a book review, a Christmas music program, a library tour with Mr. Smilde, pictures of Holland, a debate arranged by Mr. Day, a style show by Miss Newcomb's group, and several "sewing meetings" for our Christmas Bazaar.

There is fine mutual cooperation between the Circle and the school through Miss Zandstra, our sponsor. May God continue to bless our efforts in behalf of our school.

Mrs. Gertrude Boerma, President

The guiding hands along our path

Seated: John Kuiper, Richard Verhey, Alfred Gelderloos, secretary; Dr. Bernard Velzen, president; Henry Van Timmeren, assistant secretary- treasurer; Sidney DeYoung.
Standing: Ray Van Kuiken, vice-president; Charles Schrader, treasurer; Joe Orlebeke, George Brummels.

The Board

To the Graduates of 1958:

The Board wishes to take this opportunity to congratulate you upon reaching this stage of your education.

According to Webster, education is: "instruction and training in an institution of learning, and the systematic development and cultivation of the natural powers, by inculcation and example." To be sure, Christian education to which you have been exposed these past three years, is all this and much more.

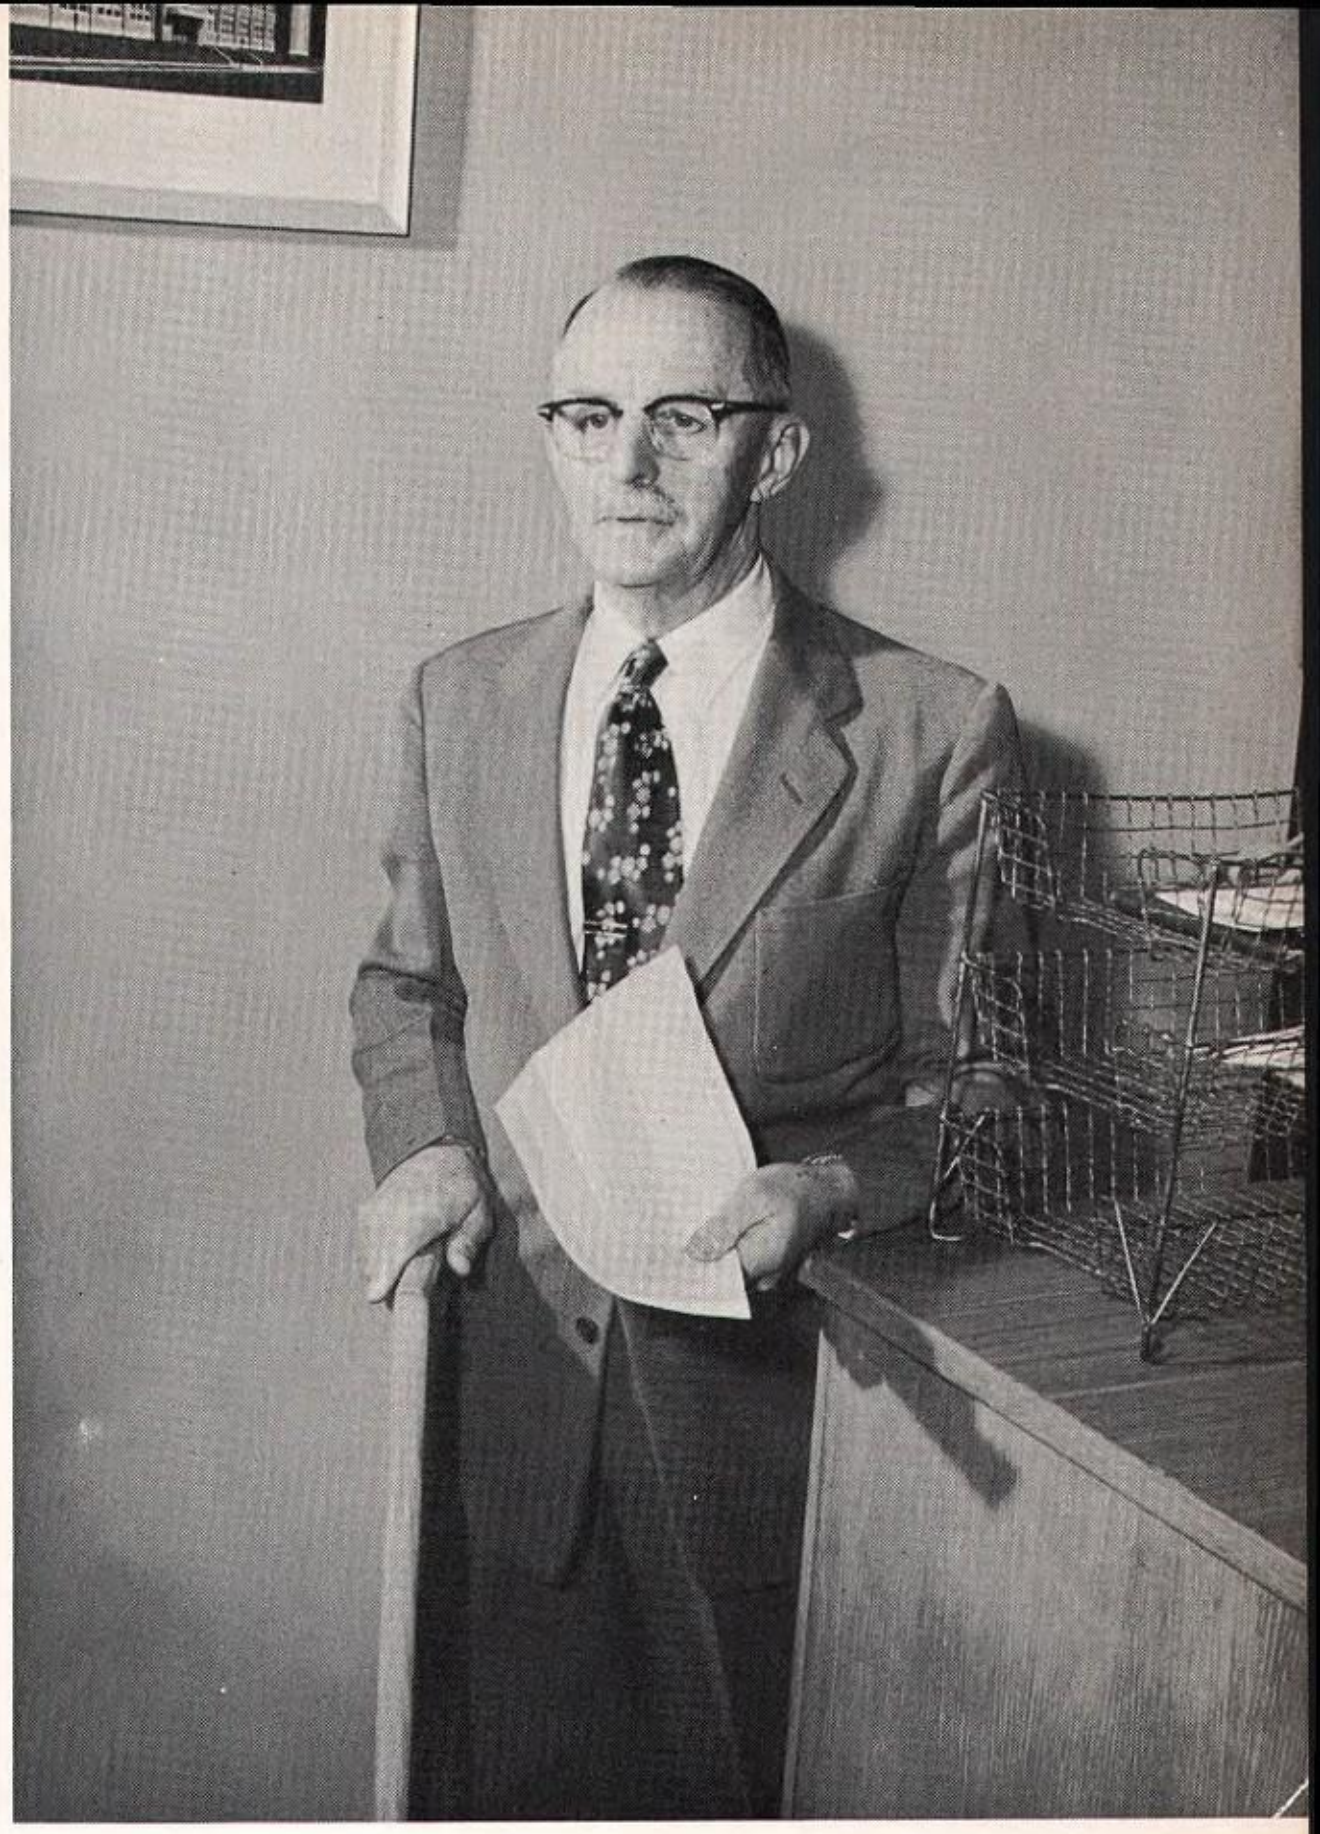
Christianity in education is not a separate course in religion that has been added to the other courses of study, as one would attach a garage to a house. The Christian theory of education is a positive belief in the idea that Christianity is a "world and life view," and as such must permeate each and every course in the curriculum.

Human reason is used in the process of learning, but it always must be guided and corrected by divine revelation in Jesus Christ and in the Bible. We believe that you, as graduates of the Christian school system, are now better able to discover your abilities and their meanings, and, as a result, will now go forward encouraged to use your education not to get things, but for the glory of God, by being of service to men.

What lies behind you and what lies before you is not nearly as important as what lies within you. We say this because as you face an era of vast scientific development, rest assured that God is not found in the test tubes of the nation's laboratories, but in the hearts and lives of each one of you.

May the secondary Christian education you have received be a means of opening up the way to far greater accomplishments, and may the principles of Christianity be of primary consideration in whatever field of endeavor you choose to follow.

Alfred G. Gelderloos, Secretary



Mr. E. R. Post

The student body would like to express their appreciation to Mr. Post for his capable leadership and direction of Christian High. His pleasing personality and "post-marked" humor have been evident in all his dealings with us, and his kindness and understanding have made our stay unforgettable.

Mr. J. P. Hoekenga

We as students cannot appreciate the work involved in making the school day run smoothly. Absence excuses, tardy excuses, parking permits, and discipline problems, all play their part in the school life at Christian High. We are sincerely grateful to Mr. Hoekenga for his service in handling the many things which add up to a well-run school.

Mr. M. H. De Vroome

All students at Christian High come into contact with Mr. De Vroome, the "schedule man". He is always willing to help students select the courses which will be of greatest value to them in their further education or future vocation. We want to express our gratitude to him for his valuable service and guidance.

Student Council

The Student Council, consisting of elected representatives from each of the six classes at Christian High, holds its meetings regularly Monday during the fifth hour. As a Council, it seeks to serve the entire student body in promoting good relations and the interests of our school.

Among other activities, this year's Council has regularly sponsored chapels and has participated in chapel exchanges with other local Christian High Schools. It has also sponsored Twirp Season, Hymn Sings, Career Day, and all-school skating parties. The subjects discussed and worked upon are variable, but only through the suggestions of the student body are we able to fulfill the purpose of the Student Council.

The Council has been ably guided in all its projects by Rev. Faber and wishes to thank him for his work in making this Council a success.

Forensics

This year Christian High was host to speech enthusiasts from Union, Central, Ottawa, South, and Creston, who met together in our auditorium for the annual District Speech Contest.

Speakers were judged in five different departments, including Original Oratory, Declamation, Extemporaneous Speaking, and Humorous and Dramatic Reading.

Christian High students took several top honors, and it was a rich experience for all those who participated.

In May, our school was also represented at the Midwest Oratorical Contest, held atTimothy Christian High.

National

1946 marks the year in which the National Honor Society began in our school. Since then, four hundred and ninety-two students have been members. Mr. Hoekenga and Miss Zandstra have been the sponsors during the whole period of time.

Christian character, service, scholarship, and leadership are the goals set by the club. The participants are encouraged to cultivate these in their lives, thereby being an influence on other pupils of Christian High.

Honor

This group does not meet many times during the year, the members usually being occupied in other various activities in school. It is as the title suggests, an honor society.

Two outings generally are held during the year, a hay ride in the fall and a picnic during the spring. Of course, all the new members must pay the penalty and suffer initiation, but they really enjoy it nevertheless.

Hi-Y Club

This past year has been most active for the Hi-Y at Christian. The club sent delegates to Hi-Y legislature at Lansing, and to Hi-Y Teens Co-ed Council. We also sold paddle-pops at basketball games to provide additional funds.

Membership in the club is by election or by seniority, at the present we have 30 members. Upon entrance into the club each member must go through the process of initiation planned by older members. Having passed this initiation, the new prospects are then admitted to the club.

We wish to thank our sponsor, Mr. Ten Broek, and our president, Dick Vander Molen, for their co-operation in making this year a sucess.

Varsity Club

This year the Varsity Club, composed of all the boys who won major letters in sports, has again had the privilege of selling doughnuts every Wednesday noon. The Varsity Club also passed out basketball schedules to all the students, placed a large schedule on the corner in front of the Madison Building, and sponsored busses to the Holland and East Lansing basketball games.

The Varsity Club would like to thank our sponsors, Mr. Boelema and Mr. Vryhof, for their work in helping make this season a success. The Club would also like to thank the students for buying those delicious doughnuts every week.

Future Nurses

This year we again have three Future Nurses Clubs, a tenth, eleventh, and twelfth grade group. Miss Strikwerda was our new faculty sponsor this year. For our outside activities we called on Mrs. R. DeMol R.N. and others for sponsorship.

We have one meeting each month which is held the second Tuesday of the month. In our meetings we had guest speakers such as teachers and students from Blodgett Hospital, who spoke to us and showed us films about nursing.

In the fall, we send representatives to the state-wide Future Nurses Convention from which we can get tips on our meetings and hear many interesting experiences from nurses.

The highlight of our year comes in the spring. We take a field trip to a place which is of interest to those desiring to be nurses. Money for this is raised by selling carameled apples and by selling paddle-pops at a basketball game.

Future Teachers Clubs

Since the organization of the Future Teachers Club, our membership has steadily increased. This year we found it necessary to divide into three groups, the Freshman, Junior, and Senior clubs. The sponsors of these clubs are Miss Menninga, Mr. Van Tol, and Mr. Kamstra, respectively.

The aim of each club is to interest students in learning more about the teaching profession.

Mr. Kamstra has made arrangements with various grade schools to have seniors visit some of their classes. Most of the visitors observed, but occasionally they had an opportunity to teach a class.

Philatelic Club

Our club consists of enthusiastic stamp collectors under the competent leadership of Mr. Smilde. Frequently other faculty members join us at our meetings.

The meetings are devoted to studying stamps of prominent countries and the United Nations.

A big feature in all of our meetings is our "trading session" which helps all of us to build up our collections.

One of the highlights of the year was our attending a meeting in January of the Kent County Chapter of the S.P.A. — Society of Philatelic Americans. At this meeting we viewed prize collections of veteran stamp collectors. We were also privileged to participate in their auction.

Library Club

The purpose of the Library Club is to learn the library procedure and be of help to the librarian. Meetings of the club were held every other week. Each member spent at least one period per week doing a variety of library tasks.

Sincere appreciation is expressed by the club to its sponsor, Mr. Smilde.

Radio Club

Last fall the Radio Club began its fifth season of activity. The main purpose of the club is to study the fundamentals of electricity and radio. We began the semester with a review of the basic principals of electricity and radio.

We met on alternate Wednesdays during fifth period, and on the other weeks we worked on projects after school. Members of the club often spoke, and occasionally Mr. Menninga gave the lesson.

The club would like to express its appreciation to Mr. Menninga, sponsor.

The Future Kingdom Workers Club was organized to give its members an opportunity to become acquainted with various fields of full time Christian service. Only those who are planning on some phase of Christian work are allowed in the club. This year we have met the first Thursday of every month during fifth hour. At one of these meetings Rev. Breas spoke to us on Opportunities for Christian Service for Youth. An overnight excursion to Detroit gave the members a chance to see missions at work there. Everyone enjoyed it very much. A spring outing also was held.

Debate

Having gone through two successful debating seasons, Christian's team began their third season with enthusiasm. With the exception of two seasoned veterans, the members were all new, but everyone willingly tackled the topic – "Resolved: that the United States Government should limit economic aid to individual countries to technical assistance and disaster relief."

Last year we had met with other Christian schools in our area for a practice round prior to the official debate season, and Coach Day's hope that this might become an annual event came a step closer to fulfillment with our second such round with Unity and Holland Christian teams this year.

The Debaters also went to Grand Haven and Battle Creek for State tournaments, and, in return, entertained Muskegon Catholic Central and Muskegon Heights here for the other State debates. The Christian High Ladies Circle helped us to also entertain the City League teams for a round of City Debate. All this added up to another season of a helpful accumulation of experience and information.

Pep Club

This year the Pep Club has grown tremendously. Although the Club was just formed last year, it has done much to improve school spirit and further good sportsmanship.

The Club, which is composed of Varsity and Reserve Cheerleaders, and members of the student body, has been very successful this year in sponsoring pep rallies. In addition to this, it sold both pom poms and "Screams of the Eagles", a pamphlet composed of all the Christian High cheers.

The Club would like to thank Mr. Vander Puy and Miss Tucker, its sponsors, for all the hard work and enthusiasm which they have put into it.

Music Club

The Music Club, under the sponsorship of Mrs Haan and Miss Ten Broek, has had a very interesting and enjoyable year.

The club met regularly to learn about music. This year the members studied Bach, a Mozart symphony, Amahl and the Night Visitors, My Fair Lady, and The Vanishing Island.

Projects of this year included selling paddle pops at a basketball game, and selling brownies at school. This money helped the club reach its goal of giving a half scholarship to both a vocalist and instrumentalist for two weeks at Interlochen.

The Concert Band was raised to a new AA classification this year as the school enrollment expanded to 1100. Members of the band met the challenge and competed with top honors in District and State competition.

Highlights of this year included the fall and midwinter concerts at which the band combined with A cappella Choir to give two very outstanding programs. The band also enjoyed playing their spring concert with guest conductor, Mr. Falcone.

Participating in the Midwest Band Festival and marching in several parades added to the activities of the band.

Socially, members of the band had fun, too. They thoroughly enjoyed both their banquet and their spring outing held at Camp Manitoulin.

Throughout the year the band worked hard under the capable leadership of Mr. Vander Puy, and the members were rewarded by their fine musicianship and fine performances.

Cadet

The Cadet Band spent a busy year delving into new and old literature and seeking to solve perennial problems concerning embouchure, breath control, resonance, etc.

The Cadet Band furnished music for all home basketball games and for all pep assemblies. This was a new role for the band and it required personal sacrifices.

Band

The Cadet Band participated in Calvin's Midwest Band Festival, the Tulip Festival in Holland, and the Veterans' and Memorial Day parades.

Socially the band enjoyed the annual banquet at Mayfield Christian School and the band outing at Camp Man-o-tou-lin.

Orchestra

This year marks another milestone in the music program at Christian High. Now, for the first time in the school's history, Christian High has an orchestra of its own. The group, which is composed of fifteen members, consists exclusively of strings. It meets once a week and is under the capable leadership of Miss Suzanne O'Neal.

Many members of the orchestra played in the solo and ensemble festival at Lowell this year. In addition to this, a group of eight went to Ann Arbor where they played a Mendelssohn octet.

The orchestra hopes to expand and meet more often next year.

A Capella

After many hours of rehearsal, the Senior Choir has concluded another successful season under Mrs. Haan's direction.

This year the Choir presented one of the most awesome and inspiring Christmas Chapels that we have ever had. With the combined efforts of the Junior Choir and the glee clubs, a very wonderful impression was given.

We also participated in the Alumni Night by joining with the Alumni Choir in singing some mass numbers. By combining our efforts with those of the band, we presented two fine choir and band concerts, one at East High and the other at South High.

Choir

We were privileged to sing in the Christmas Symphony Concert Choir, and also to join all the Christian High School choirs of the area in the St. Matthew Passion presented by the Calvin Oratorio Society.

Some of us took part in the Clinic at Coopersville and the Solo and Ensemble Festival at Junior College. Later in the season were the District and State Festivals. We closed our season by singing at the June graduation, the evening on which many of us said our last farewell to Christian High's Senior Choir.

Junior Choir

The Junior Choir has had an unusually successful year. For the first time in our school's history, the group participated in the district festival together with the other Senior Choirs of this area, with hopes of going on to the state festival.

All this was possible through the excellent and patient direction of Mrs. Trena Haan.

The members enjoyed each hour put into this training and hope that they may continue to have these privileges.

Senior Girls' Glee Club

This season the Girls' Glee Club has been full of promise and inspiration. We have worked very hard and with God's help have completed a rich time singing to His glory and praise. In December we sang in chapel and also participated in the Christmas Chapel. We also sang in the Spring Festival and also the District Festival here in Grand Rapids. With the addition of many girls from General Music at semester time, our group numbers about 75. Under Mrs. Haan's direction we all have had a lot of fun and also completed a good season.

Cross Country

In its finest showing since the inauguration of the sport at Christian High, the Cross Country Team finished second in the City League Dual Meet and in the City Meet this year. Swimming

This year we have again seen the times in dual meet competition lowered. All but two of our school records have been broken. We hold the city record in the 100 yd. free style established by Joe Venema in a time of 55.8 seconds. An added event this year was diving. The team finished the year with three wins and three losses.

Varsity Basketball

Although Coach Vryhof faced almost a complete rebuilding of his team, Christian finished the 1958 season, one of the best in recent years in a very exciting and grand style. After annexing another city championship, the boys also became disrict champions; but they were defeated in their bid for regional laurels by the strong Benton Harbor team. The city race was one of the tightest ever with four teams in the running for the title up to the next to the last game. Much of the credit for this successful season must go to our great coach, Mr. Vryhof, and also to the boys for the great determination, co-operation, and enthusiasm they showed all season.

Reserve Basketball

The Reserve Basketball team had a fairly successful season finishing the year with seven wins and five losses in the City league for a second place tie with Creston. Each member of the team has hopes of making the Varsity team next year after gaining the necessary experience this year.

One of the high points of the year for us was the one point victory over Holland Christian at the Holland Civic Center.

Many thanks must be given to Coach Terpstra for the successful season. His patience and hard work with the boys has brought good results.

It's no secret

That picking the right kind of job after graduation is mighty important.

And the right one, you'll agree, is the one that gives you the most of what you want in a job — interesting work, good wages, vacations with pay, friendly associates, security and a chance for promotion.

So, if you're graduating this year and are looking for a really worth while job, why not drop in soon at our employment office? It's at
